Student Uniform Policy

Rationale

The Mundaring Christian College uniform is intended to support our sense of community and healthy pride in our College, and to emphasise our character, organisation and commitment to maintaining a level of dignity within the school's dress standards. The way a student wears his/her uniform reflects his/her own self-image and is also a measure of how they regard other people.

Simplicity and neatness is emphasised in order to underline this principle, *"Your beauty should not come from outward adornment, such as elaborate hairstyles and the wearing of gold jewellery or fine clothes. Rather, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight."* 1 Peter 3:3-4 (NIV)

Responsibility to be Well Groomed

The proper wearing of College uniform (regular and sport uniform) is compulsory. Parents/Guardians should ensure that their child's uniform is being worn correctly, freshly laundered and in good repair when they leave home.

It is the students' responsibility to be fully prepared for each school day, which includes the wearing of the correct school uniform at all times during the day.

Support of the Mundaring Christian College Uniform Policy is a condition of enrolment. Repeated uniform breaches may involve a student being required to purchase items from the uniform shop, face suspension, or their parent/guardian being requested to immediately collect their child from the College.

All uniforms must be clearly labelled (with student's full name) and it is the student's responsibility to care for each piece of attire while at school. Items of uniform are to be clean, correctly sized and in good repair.

Winter uniform will be worn for Term 2 and Term 3, unless otherwise notified. Students with special uniform needs can consult with the College for options.

Hats

Students are encouraged to be responsible for their own health and wear the College designated hat (cap or wide brimmed hat) at all times when outdoors. Sun cream is available at Student Services.

Year 12 Leavers Jackets

Year 12 students are permitted to wear their Leavers jackets every day. The exception is when there is a formal event or an excursion or if the jacket is dirty or in unprofessional condition. In these circumstances, the College Jacket must be worn.

Excursions

Formal College uniform, or if appropriate College sport uniform is required for all excursions unless otherwise notified. The Teacher in charge of the excursion will advise which is the correct uniform for the event. Students who do not have the full correct uniform may not be allowed to attend the excursion.

Exemptions

In cases where a student for a medical reason needs an exemption or modification to a component of the uniform and appearance guide, a medical certificate is required and will need to be submitted to the Pastoral Care Teacher. Final formal approval must be given by the Student Services Coordinator (Primary) or Head of Student Services (Secondary).

Failure to Meet Uniform or Appearance Expectations

Where a student does not wear the correct uniform in the suitable way or has not met the appearance expectations this will be recorded as a uniform infringement with appropriate consequences.

If a student is out of uniform, they should bring a note from home signed by their parent/guardian. This note will be checked and signed by the student's PC teacher. The note should state clearly which item of uniform is unavailable, the reason for this, and the date when the student will be in correct uniform again.

Having a note does not necessarily diminish or remove the student's responsibility to be prepared for the school day and have the correct uniform. The remaining items of the school uniform must be worn.

Initially the class Teacher or PC Teacher will contact the parent and a plan devised to address the issue within an agreed time period.

If resolution cannot be achieved, then the issue is referred to the Student Services Coordinator (Primary) or Head of Student Services (Secondary) for action.

Failure to comply with the uniform policy may result in a suspension and if the infringement re-occurs then an enrolment review will result.

All Students Shoe Policy

It is beneficial for children's overall health to wear good shoes. Therefore, please assist us in caring for your child by providing them with shoes that meet the Uniform Policy and provide protection for their feet.

- Plain black **leather** lace up style shoes that can be polished are to be worn all year. Shoes must be regularly polished.
- Shoelaces must be tied at all times. Velcro fastenings are acceptable for Year 1 and 2 only.
- Shoes must cover full instep and be below the ankle, not a boot, sneaker or sport shoe
- Non-leather uppers or punched holes completely through the shoe are unacceptable for safety reasons
- Heels must not be more than 35mm high
- Must cover the upper surface of the foot
- No sandals are acceptable
- Boys are to wear grey ankle length socks
- Girls are to wear white ankle length socks without logo's or words, or navy tights in winter.

To meet safety requirements, school shoes must provide physical protection to the foot in case of liquid spills, falling objects and our unique bush environment. Heels that are too high and platforms that are too thick, or too flexible, introduce danger as they present the possibility of ankle injury.

Students with black shoes will not be able to play in the Gym, unless their shoes have non-marking soles. If your child does not have special sole shoes, they can still play in the Gym if they bring their sport shoes to change in to for the session and change back again for the remainder of the day.

Acceptable School Shoes for Boys and Girls:

Sport Shoes

Students are required to wear proper sport shoes on sport days or for their sport class. Sports shoes must be shock absorbing gym shoes (no volley OC's, Vans, skate shoes or canvas casual shoes). Shoes must be clean without holes or tearing. All students are to wear plain white ankle length socks. No logos or words are permitted.

Please consult the College if you have any concerns about the acceptability of shoes you are intending to purchase as unacceptable shoes will need to be replaced.
