STUDENT SMARTRIDER ORDER FORM

A SmartRider ordered through Mundaring Christian College features the College logo, student photo and the student College ID number. Students can use the SmartRider for all Transperth services, as formal identification, and to scan on and off the College property via the Student Registration laptops at the College Reception. SmartRiders can also be used to scan on and off the new MCC Kalamunda bus service (for attendance purposes only).

All student SmartRiders are automatically registered with Transperth which means that they can be hotlisted. A hotlisted SmartRider disables the SmartRider from further use if lost or stolen and enables the value on the lost or stolen SmartRider to be transferred to a replacement SmartRider.

COST: $5.00 per card (charged to your Parent Fee Account)

Please complete form for student/s requiring SmartRider cards below:

Student Name:_____ DOB:___/___/_____School Year: _____
