**\$95 per year (2:1 in Years 4 – 6)**

What's included: iPad 11-inch 128GB, keyboard case, Mobile Device Management, cybersecurity software, and technical and learning support.

*Devices remain at school, managed, and locked down for learning.*

## SECONDARY (YR 7-9)

**\$345 per year**  
**Commencing from 2027**

What's included: iPad 11-inch 128GB, keyboard case, 3-years of AppleCare+, Apple Pen USB-C (engraved), Mobile Device Management, cybersecurity software, technical and learning support, and access to a loan device (when available) when a student's device is not working or under repair.

*Device is returned at the end of Year 9, upgraded to a MacBook in Year 10.*

## TRANSITIONAL YEARS

### 2026-2028

Some year groups will remain on the BYOD program until they reach their natural transition point.

If parents of 2026 Year 6 students choose to enroll their personal device as a SCEA-managed iPad, it will be configured to include Apple Classroom software, device management, security software, and technical and learning support.

*More information on the following page.*

## SECONDARY (YR 10-12)

**\$595 per year**

What's included: MacBook Air M4 16 GB 256 GB SSD, protective case, 3-years of AppleCare+, Mobile Device Management, cybersecurity software, technical and learning support, and access to a loan device (when available) when a student's device is not working or under repair.
