

20 November 2025

Dear Parents and Guardians,

As part of our ongoing commitment to making school preparation simpler and more cost-effective for families, we are updating the way resources and stationery are provided for the 2026 school year.

From Pre-Kindy to Year 6, all required educational resources and stationery will now be purchased directly by the school. A resource levy will be included as part of your school fees to cover these costs. This means families will no longer need to complete or purchase from individual booklists.

This change allows us to ensure that every student has the correct materials ready to begin learning from the first day of school, and that all resources align consistently with our teaching programs.

If you have any questions or would like further information, please don't hesitate to get in touch.

Warm regards,

Mrs Jacqui Wilmot  
Head of Primary
