

20 November 2025

Dear Parents/Guardians,

The 2026 Secondary Booklists are now available and located on the Parent Portal with access through [Parent Orbit App](#) and [Parent Lounge](#) under the School Links tab. We are partnering with Officeworks and Box of Books for our booklists and instructions about the ordering process are found on the next page.

I would like to inform you of some minor changes regarding the 2026 booklists and course levies. It is our hope that these changes will be of benefit to families and the College.

Elective Levies

As per last year, all individual elective levies in years 7 – 10 will remain combined as one elective levy (fee) for each year group. There are two exceptions to this policy: Outdoor Education for Years 9 and 10 will incur a subject elective levy due to associated camp costs, and charges for Mountain Biking Bike Hire and PPE Hire will continue to apply as needed.

Years 11 & 12 course levies will remain individually allocated.

Book List

In 2026 the booklist items most year 7-10 elective courses have been removed from the booklist. These items will instead be purchased by the College and then provided to students. The cost of these items has been added to the combined year group levy.

For parents of Year 7-10 students please ensure that your child purchases a separate folder and exercise book for each of their Math, English, Science and HASS Electives - not a combined book with multiple subjects in it. This is required so that students can hand their folder and books in to be marked and it supports us in setting a common standard that we can uphold. For similar reasons please ensure that your child has a pencil case with all required equipment as well as a suitable device that meets the College's BYOD device requirements.

Yours sincerely,

Mr Tim Oates
Head of Secondary
